The Disciplinary Committee no.2016-17/057 decree

The Disciplinary Committee investigated the MOL League game MOL 221 (DVTK Jegesmedvek – Ferencvarosi TC) where Carter SHINKARUK player of Ferencvarosi TC was being penalized 2 minutes (CHARG). The Committee made the following conclusions:

After 17 minutes of the match the player of Ferencvarosi TC collided with the opponent player.

IIHF RULE 122 – CHARGING

DEFINITION: A player who, after skating towards an opponent, checks him with unnecessary force or who runs at or jumps into an opponent.

A player who checks an opponent with unnecessary force or who runs at or jumps into an opponent will be assessed at least a minor penalty.

A player who makes physical contact with an opponent after the whistle has been blown but who had sufficient time to avoid such contact will be assessed at least a minor penalty for charging.

A goaltender is not “fair game” simply because he is outside of the goal crease. A minor penalty for interference or charging is warranted where an opponent makes unnecessary contact with a goaltender.

A player who injures or recklessly endangers an opponent as a result of charging will be assessed a major penalty and automatic gamemisconduct penalty or match penalty.

According to the Disciplinary Committee's opinion, the player collided irregularly with the opponent player. The points of the collision were the elbow and the upper body. The measure of the malpractice is equal that the referees have called.

The Disciplinary Committee approve the referee’s judgement, and do not use other sanctions.
