

MOL LEAGUE DISCIPLINARY COMMITTEE

The Disciplinary Committee no.2016-17/079 decree

The Disciplinary Committee investigated the MOL League game MOL 251 (UTE - DVTK Jegesmedvek) where Robert DOMOTOR player of UTE was being penalized 5+20 minutes for boarding (BOARD). Committee made the following conclusions:

At the 58th minute of the match the player of UTE collided with the opponent.

IIHF RULE 119 – BOARDING

DEFINITION: A player who bodychecks, elbows, charges, or trips an opponent in such a manner that causes the opponent to be thrown violently into the boards.

A player who injures or recklessly endangers an opponent as a result of boarding will be assessed either a major and game-misconduct penalty or a match penalty.

According to the establishment of the Disciplinary Committee, the collision was unnecessary, it's purpose was not to take the puck, nor to separate it from the opponent player. The player haven't already possessed the puck. The UTE player hit his opponent, when he couldn't calculate with the collision, he could not defend himself, thus it could easily cause injuries.

The Disciplinary Committee prohibited Robert DOMOTOR for 1 MOL League match.

The player will spend down his sentence at the next MOL League match.
